

How to join Phuket Sandbox Program from 1 July 2021?

Before departure

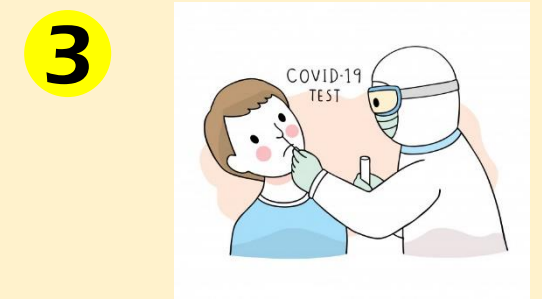

1 Check if you are eligible.

(Non-Thais must be staying in the listed countries/area more than 21 days / Fully vaccinated at least 14 days)

2 Register for COE under Phuket Sandbox Program at coethailand.mfa.go.th from 28 June 2021.

Please prepare required documents (1) Valid passport (2) Vaccination certificate (3) Medical insurance with minimum coverage of 100,000 \$ covering COVID-19 treatment in Thailand (4) Air ticket of international direct flight to Phuket (5) SHA+ hotel booking confirmation for 14 nights (or less if staying in Thailand less than 14 days)

3 Get COVID-19 test (RT-PCR method) no more than 72 hours prior to the departure time. The negative result must be presented to the airline check-in counter

After arrival in Phuket

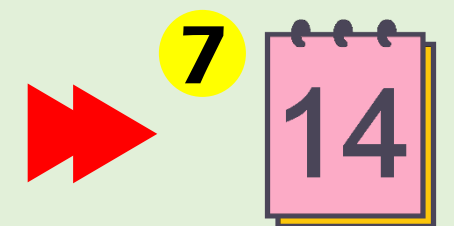

4 Download and install the designated tracking application

5 Travel from Phuket Airport to SHA+ hotel by transportation arranged in advance by the hotel

6 Have COVID-19 RT-PCR test periodically for 3 times (in case of staying in Phuket for 14 days) and are responsible for the relevant costs

7 Stay in Phuket at least 14 days before traveling to other provinces

* Children under 18 years old, without COVID-19 vaccination and traveling with their guardian, are able to participate in Phuket Sandbox Program.

* For further details and purchase of medical insurance covering COVID-19 treatment in Thailand, please check <https://covid19.tgia.org/>

* For list of SHA+ hotels, please check <https://www.thailandsha.com/shalists/>
